

From: Betty Hensler, Englewood

Domestic Goat Kid

U.S. Food And Drug Administration

Please grant petition
98P-0151/CPO To prohibit the
The Slaughter of downed ANI-
MALS. COMPASSION Compels it.

The Slaughter is NOT ONLY CRUEL
but some downed ANIMALS MAY
be afflicted with a form of
"MAO Cow Disease" They ARE
INHUMANELY pushed with TRACTORS
or DRAGGED with CHAINS because
They ARE TOO SICK or IN TORED
To WALK.

INDUSTRY EXPERTS estimate
90% OF THESE SUFFERING ANIMALS

The Humane Society of the United States
2100 L Street, N.W., Washington, D.C. 20037-1598

CAN be handled HUMANELY
With OUT ANY economic
loss.

OUT OF CONCERN FOR
HUMANS, ANIMALS WHO
ARE TOO SICK TO STAND
Should NOT BE ALLOWED TO
ENTER THE HUMAN FOOD CHAIN.

THE MOST IMPORTANT
CONSIDERATION IS JUST PLAIN
MERCY.
